

ELITE CONTRACT VIDEO IDENTIFICATION FORM

NSR will accept up to 3 tapes, CDs or DVDs of game footage. Additional discs or devices containing player introductions may also be included. Please indicate detailed running times of the Top 20 clips you want included from your game footage in the spaces provided below. See examples at the bottom of this page.

Important Note: The Video Department will create a full 35 minute skills or highlight video for the Elite prospect once per school year. Your completed video will be placed online within 24 hours of the edit. Be sure your personal webpage has been approved and is activated prior to your edits completion. Videos you have on other sites such as YouTube can be captured and used for your NSR video, but changes to music, graphics, and overall length may be necessary in order to conform to NSR editing standards. The ten DVD copies provided to you by NSR below is a onetime service that can be requested anytime after an edits completion.

Running times are needed for skills footage as well. Indicate the best skills sequences and the NSR editors will edit clips from your selections. Prospect introductions can be included, but need to be brief. You may include additional running times on the back of this page that may be used at the editors discretion. Also include any notes concerning the video that you think may be helpful to the editor on the back of this page.
